

## MITIGATED DETERMINATION OF NON-SIGNIFICANCE

**Description of proposal:** The proposal consists of helicopter salvage of dead and downed cedar materials on 23-acres within and adjacent to a six year old plantation. There will be no road construction associated with this project. Portions of this proposal involve harvesting on potentially unstable landforms. This review covers the Forest Practices Application (FPA) activities as described in FPA #2920243.

**Description of mitigation:**

Portions of any logs that are embedded or buried in any landslide deposits shall not be removed.

**Proponent:** Weyerhaeuser Company  
PO Box 1000  
Cosmopolis, WA 98537

**Contact:** Wendi S. Lubinus  
[wendi.lubinus@weyerhaeuser.com](mailto:wendi.lubinus@weyerhaeuser.com)

**Location of proposal, including street address, if any:** The site is located within portions of Section 18, Township 16 North, Range 9 West, W.M. and Section 13, Township 16 North, Range 10 West, W.M., Grays Harbor County. The proposal is approximately 7 air miles south of Aberdeen, Washington.

**Lead agency:** Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

[ ] There is no comment period for this Mitigated DNS.

[X] This Mitigated DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 14 days from November 24, 2009. Comments must be submitted by December 8, 2009.
